Middleton Township Trustees

Wednesday, December 19, 2018 9:00 a.m.

Mr. Vetter called the meeting to order at 6:30 p.m. The Pledge of Allegiance was spoken. Trustees Bostdorff, Getz and Vetter and Fiscal Officer Limes were in attendance. The sign-in sheet for employees and visitors is attached with the approved minutes. Noted on the sign-in sheet is a statement indicating the meeting may be recorded or streamed live to the internet by a visitor - not at the authority of the township trustees.

VISITOR COMMENTS
- Jason Sisco, Deputy Engineer, Wood County Engineers’ Office (WCE), addressed the Trustees with a variety of items including the timeline for the Township Work Agreement, road and bridge oversight, 2019 salt purchase and permits. Mr. Sisco clarified that he will serve as the liaison on all matters with regard to townships and road projects. Private culvert permits will be issued by the WCE and he supported townships handling their own permits for utilities and road cuts/bores. Storm taps will be handled by the WCE. In addition, Mr. Sisco clarified special hauling permits and indicated the there is a different weight classification for farm equipment. The WCE issues special haul permits for trips you “can’t break down” and can be hauled lawfully.
- Nexus reached out to the WCE and has requested they cold patch roads that were torn up by the pipeline project.
- Five Point Road resident Janis Butzier reviewed pictures taken of their property with Mr. Sisco and discussed the longevity of the drain tile at Sheldon Gardens. Discussion revolved around the location of Ms. Butzier’s property and noted it should drain to the east. The Township Trustees made a commitment to jet the drains at the location annually to keep the tree roots out of the lines and allow for the drains to flow freely.
- Kevin Laughlin from the WCE updated the Trustees on the Stormwater Agreement with the county. A policy paper for the WCE was submitted as well as a data questionnaire that he requested be returned by February. Drainage for the township building was reviewed with Mr. Laughlin and Jeff Buehrer from Poggemeyer Design Group.

FIRE DEPARTMENT
- Stan Crosley from the Ohio Fire Chiefs Association reviewed the Fire Station Analysis with the Trustees. He noted that response from our department fire fighters as ‘very good.’ He indicated he was providing a facility assessment and analysis and the report provided single station and multiple station recommendations. He did encourage the Trustees and fire department to establish performance goals for the township.

VISITOR COMMENTS (cont’d)
- Paul Thornton, FirstEnergy representative, addressed the Trustees with regard to the power line plans that are under review. He indicated it would be 2020 before a final plan would be implemented. Mr. Thornton acknowledged his retirement at the end of the year and provided his replacement’s name – Victor Coleman - and contact information.
